JACKET 1984

*STEPHENVILLE HIGH SCHOOL
STEPHENVILLE, TEXAS
VOL XXXXVIII*

The Stephenville High School Annual Staff would like to dedicate the 1984 Jacket to Mr. Hailey. We at SHS are very proud to have a man like him for our principal. He has a long list of accomplishments that make us very fortunate to have him. His high school years were spent at Breckenridge High School. Afterwards, he attended numerous distinguished colleges and universities. They are as follows: John Tarleton College, Texas A&M College, SMU, Howard Payne, Texas A&M University, TCU, and TSU. From 1951-52 he taught agriculture at Huckabay. He then served as High School principal and coach at Lingleville from 1956-57. He first came to SHS in 1958 and taught science until 1966. From 1966-69 Mr. Hailey taught vocational agriculture. In 1969 he became the principal at SHS and since then he has been encouraging and influencing the lives of young men and women. Thank you for being the kind of person you are, Mr. Hailey, and we hope you have many happy years.

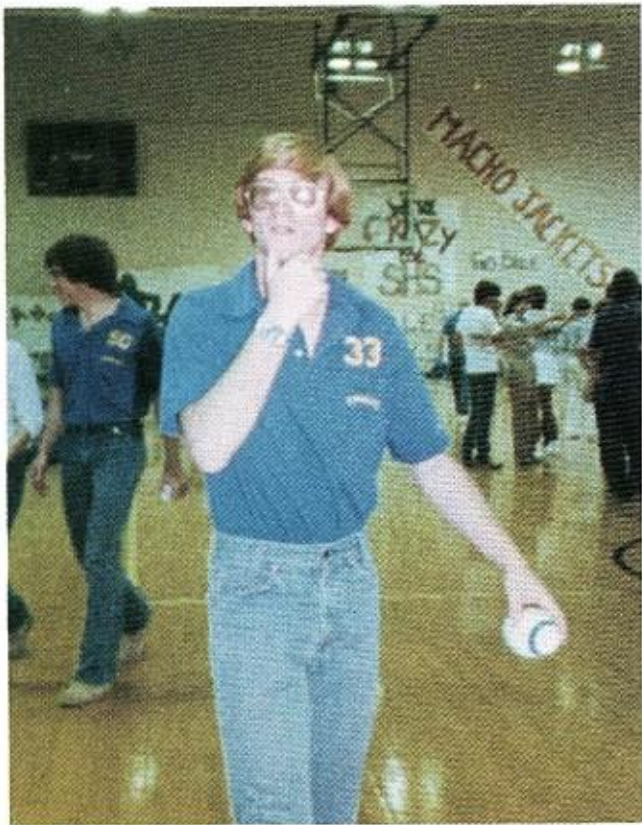

-Move on-

They say a restless body
can hide a peaceful soul
a voyager and a settler
they both have a distant
goal

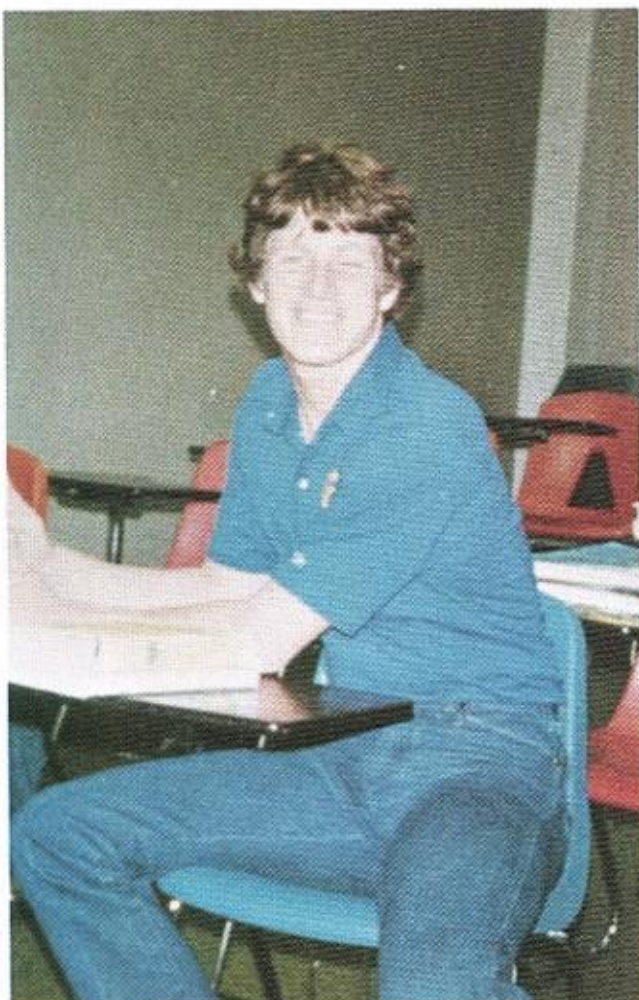

If I explore the heavens
or if I search inside
-it really doesn't matter
as long as I
can tell myself
I've always tried.

Like a roller in the ocean
 life is motion
 Move on
 Like a wind that's always blowing
 life is flowing
 Move on
 Like the sunrise in the morning
 life is dawning
 Move on
 How I treasure every minute
 being part of
 being in it
 with the urge to move on

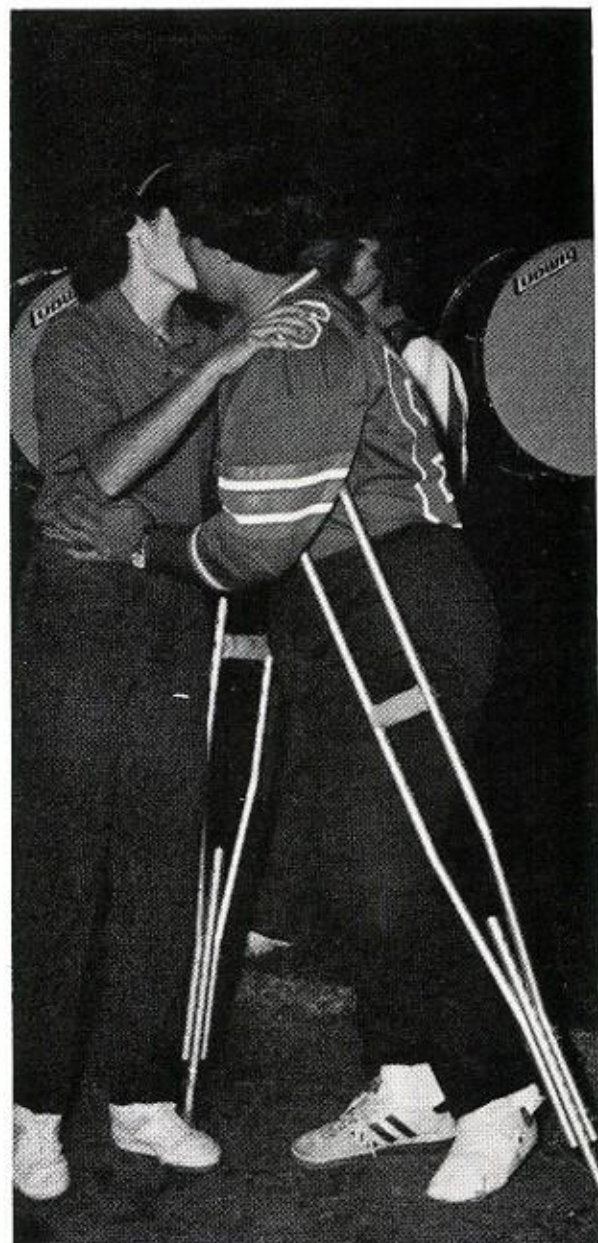

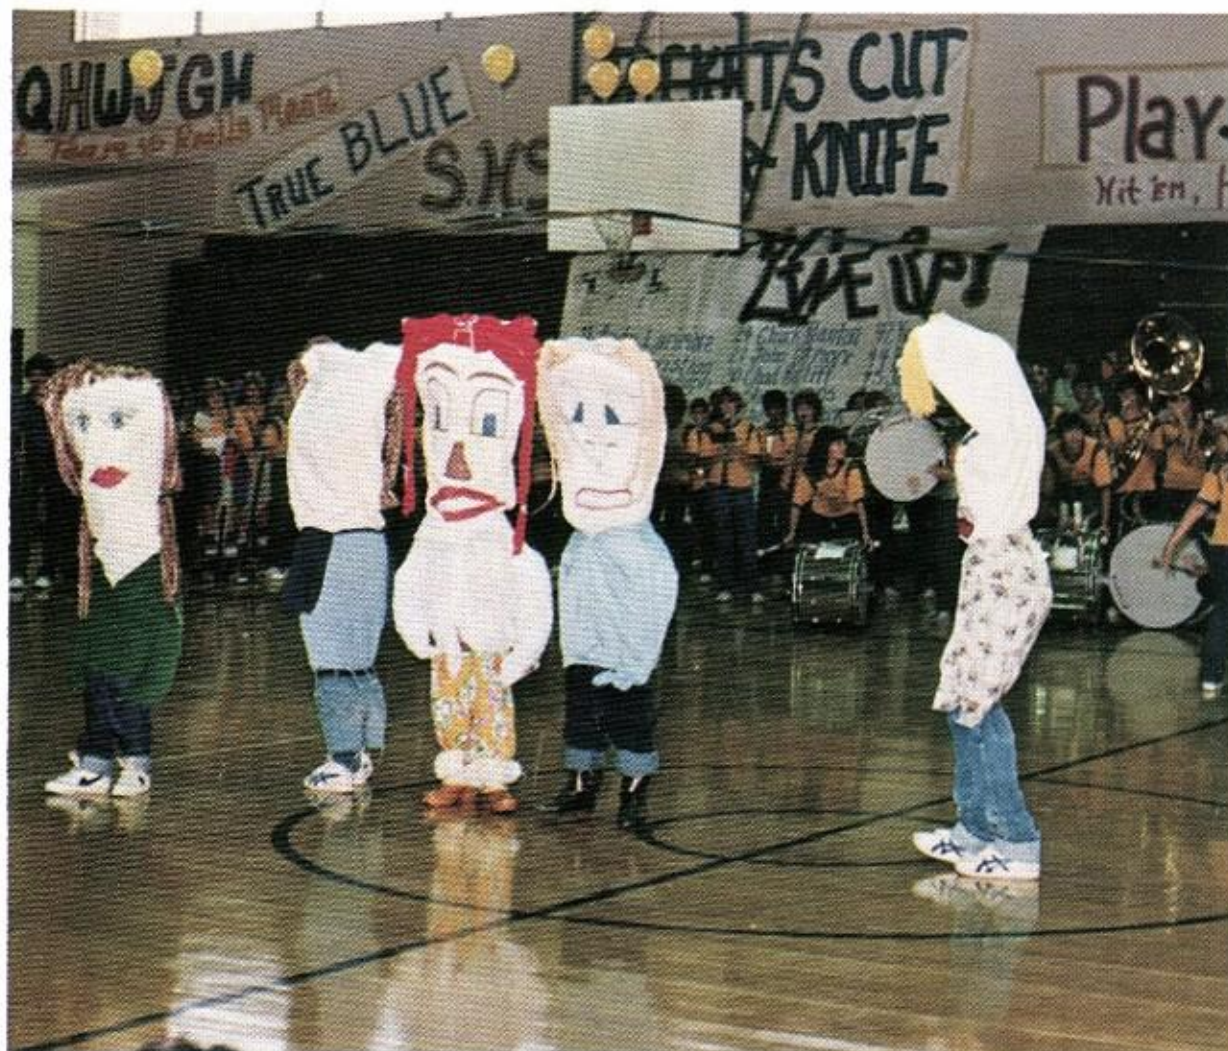

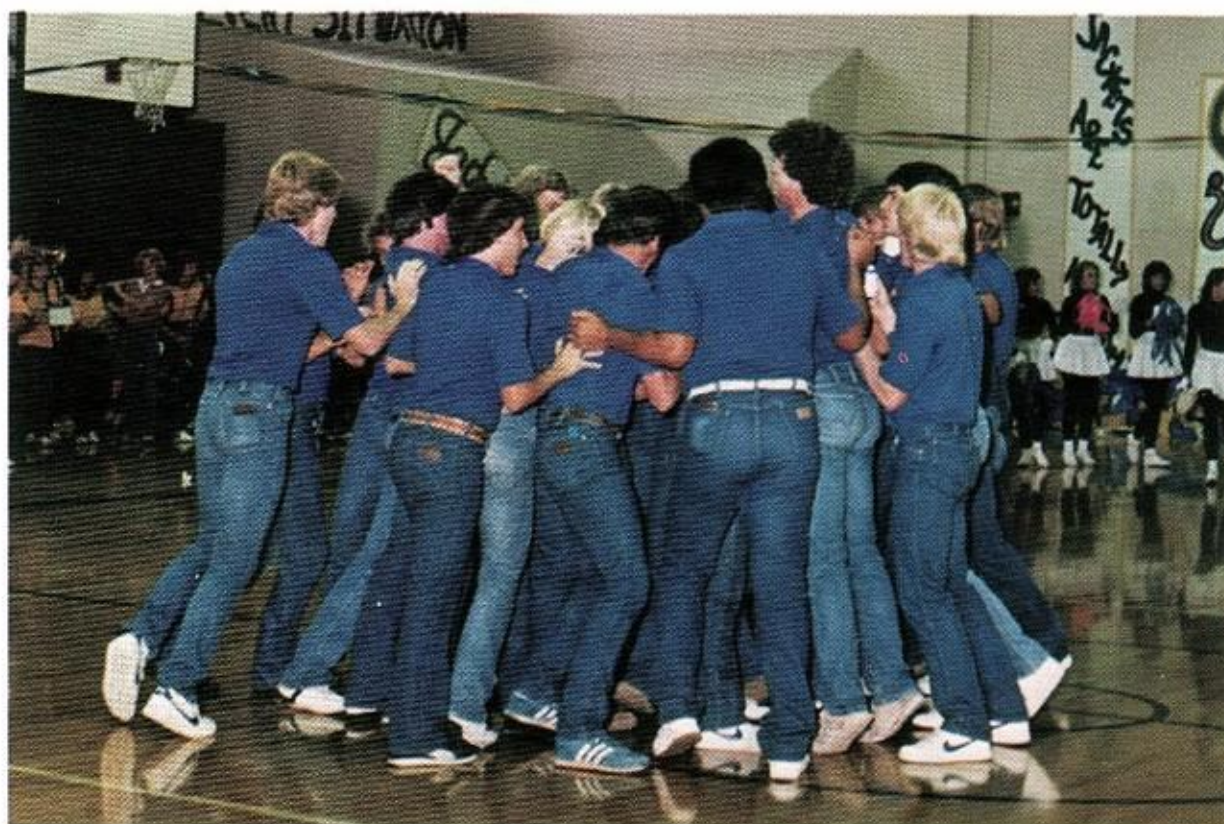

I've traveled every country
 I've traveled in my mind
 it seems we're on a journey
 a trip through space and time
 and somewhere lies the answer
 to all the questions why
 what really makes the difference
 between all dead and living
 things
 the will to stay alive

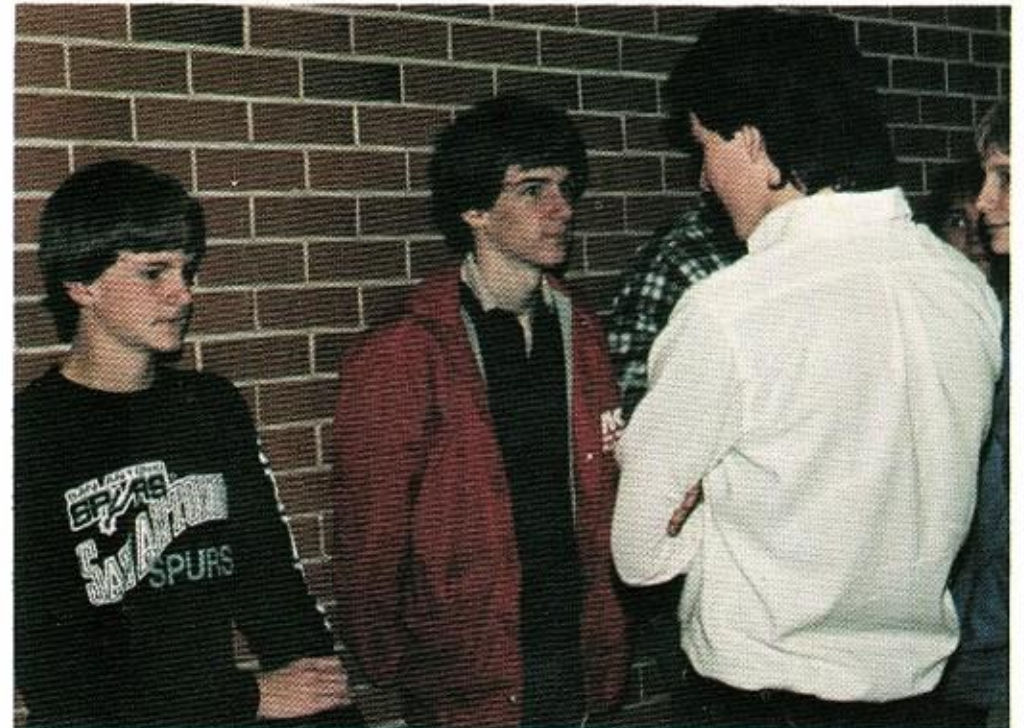

Like a roller in the ocean
life is a motion
move on . . .

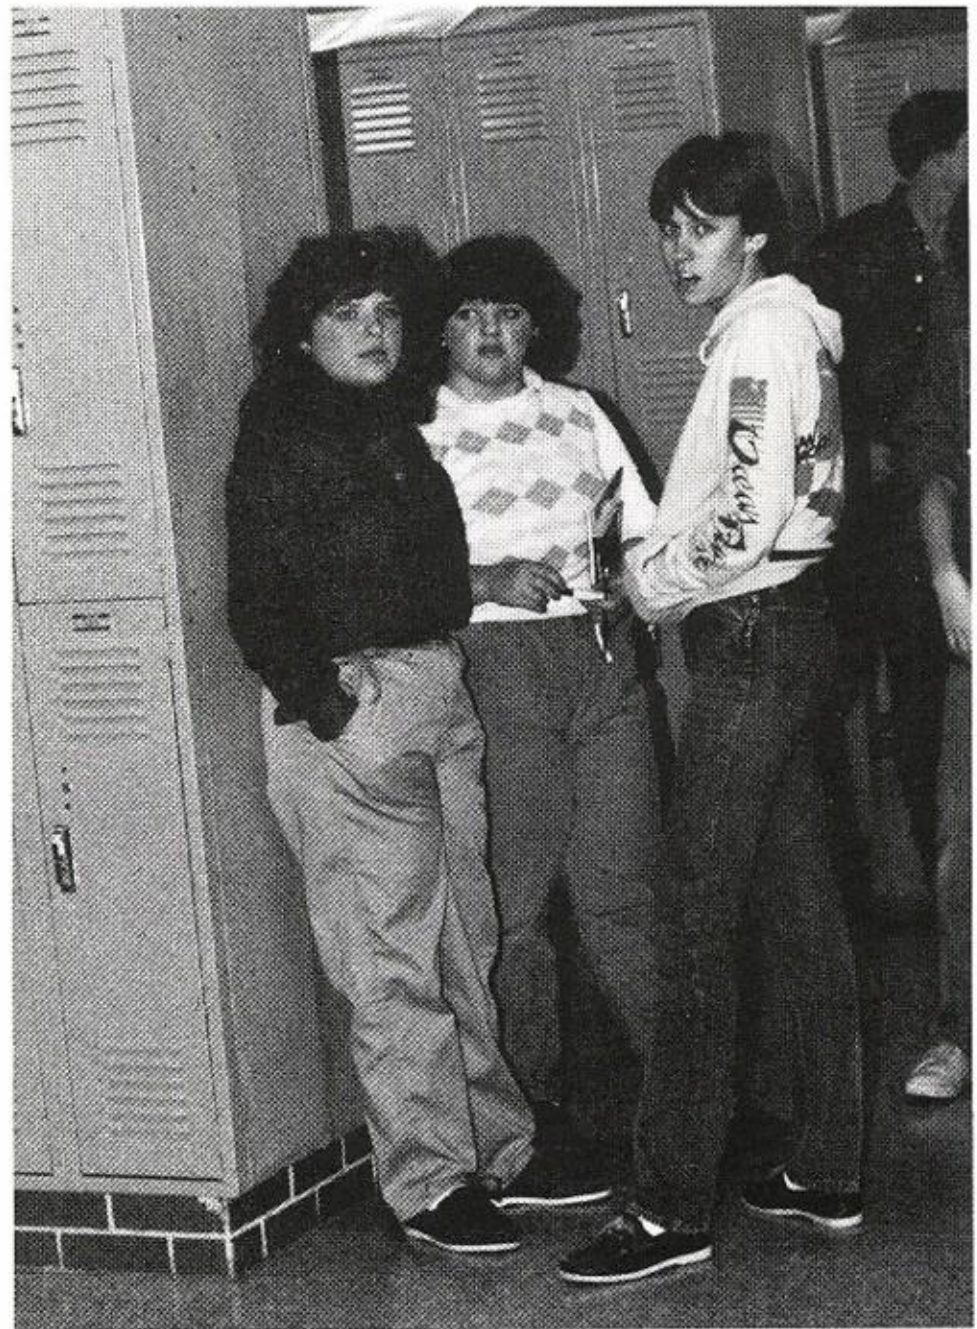

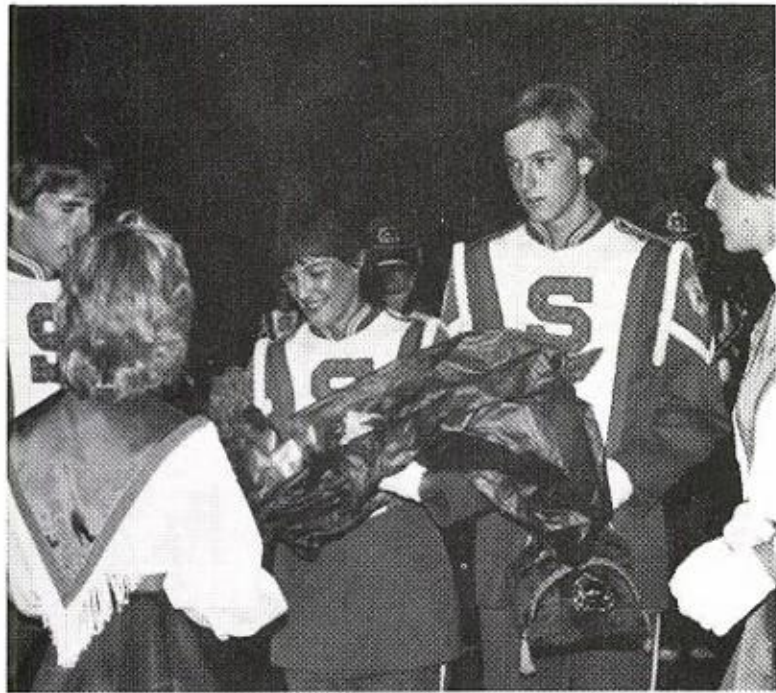

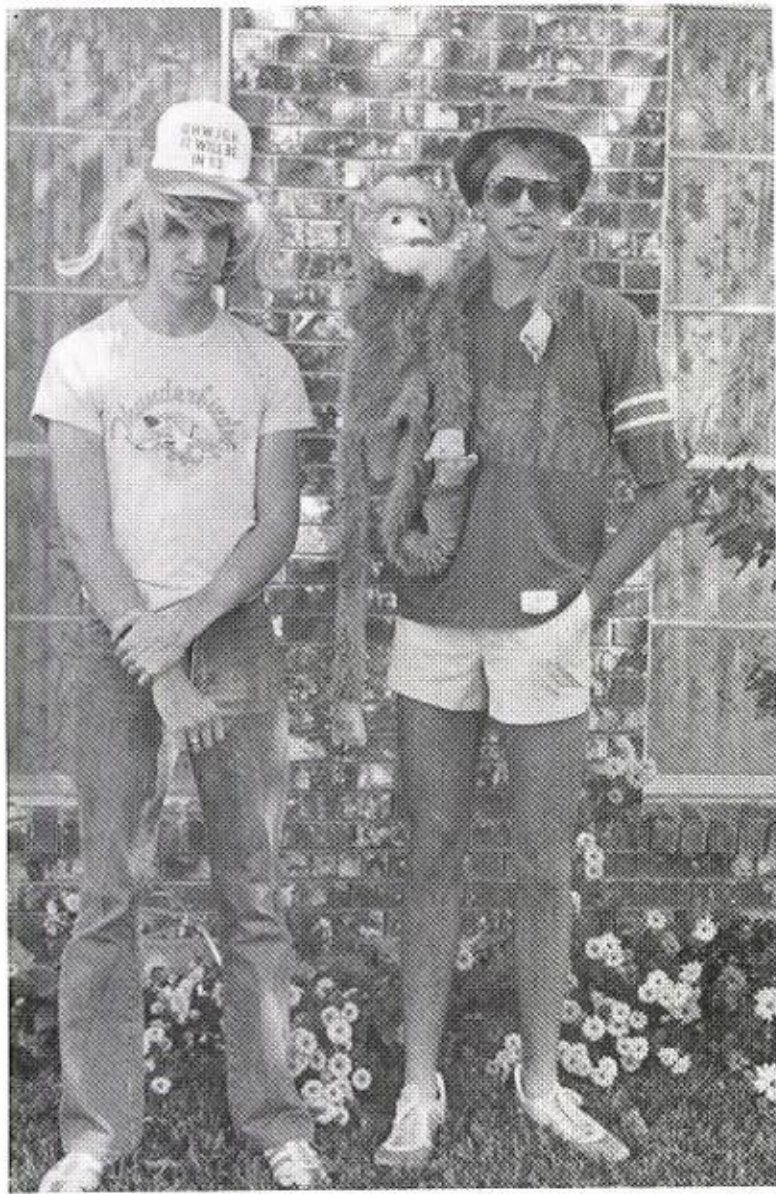

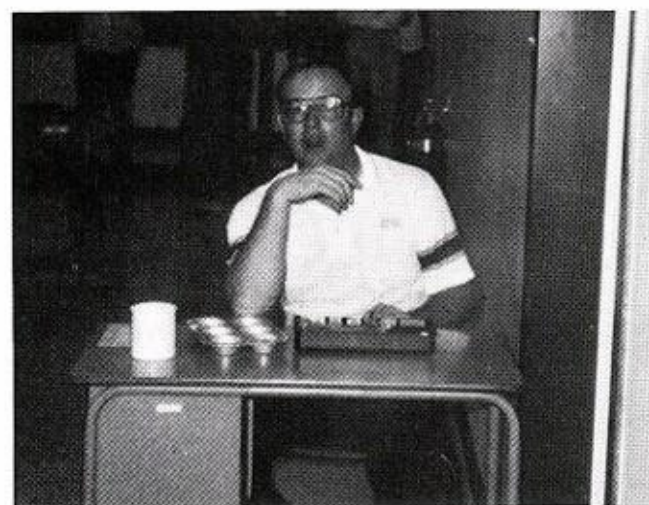

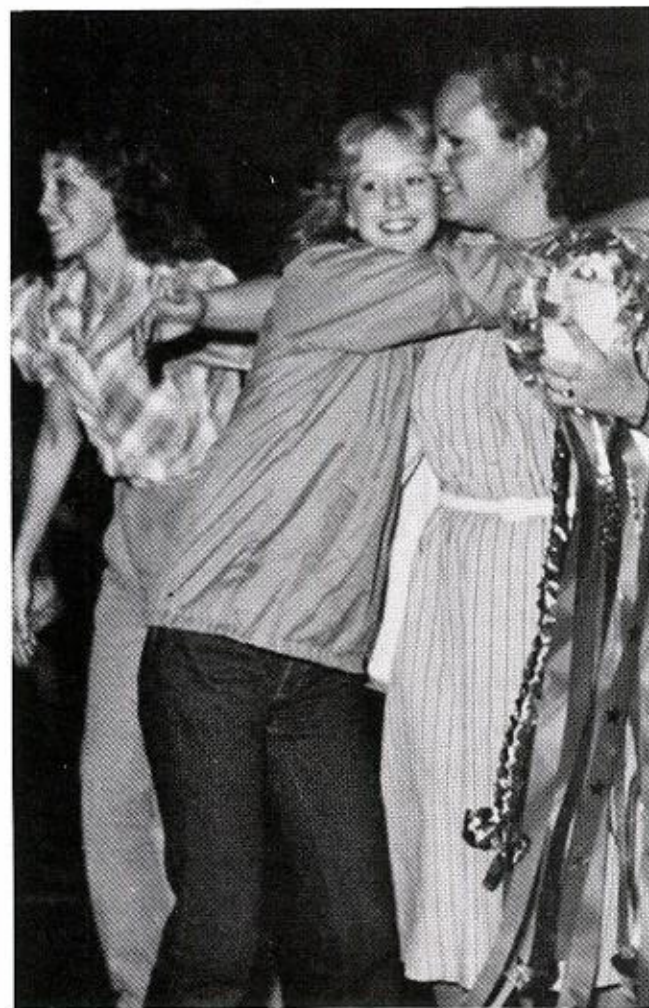

The morning breeze that ripples
the surface of the sea
the crying of the seagulls
that hover over me
I see it and I hear it
but how can I explain
the wonder of the moment
to be alive
and feel the sun
that follows every rain

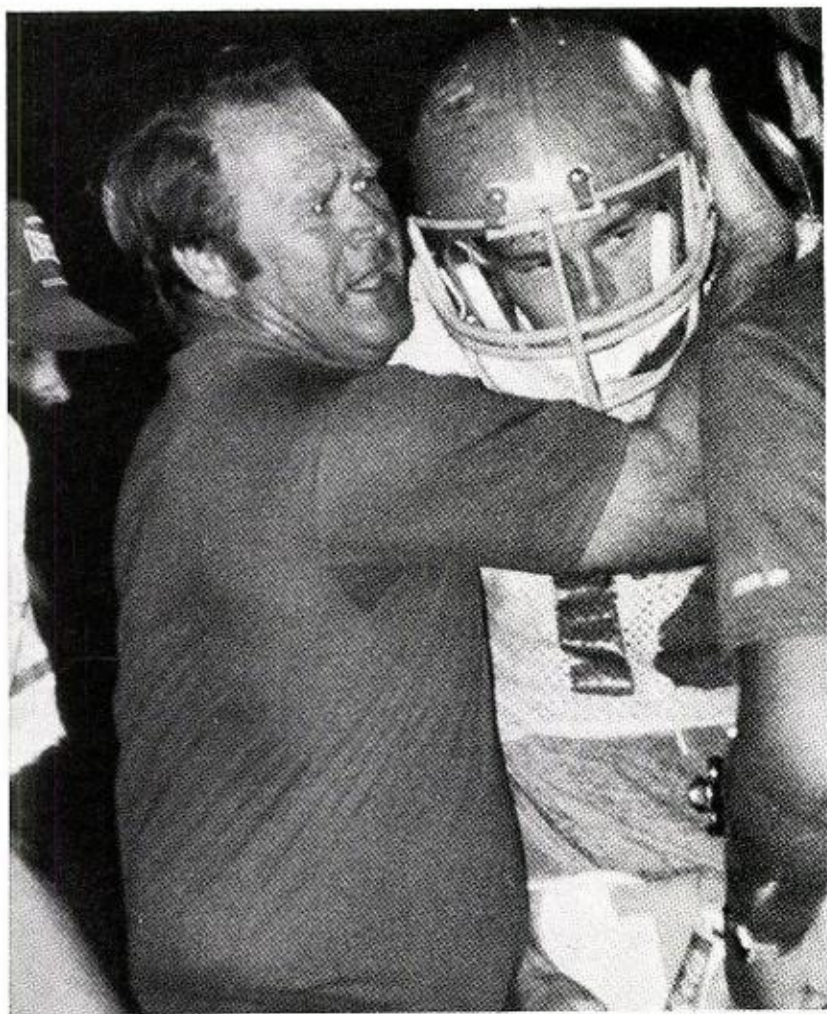

Like a roller in the ocean
life is a motion
Move on . . .

Sammy.

High. Yea weve been through
Hell together Big Time but we'll probably
have alot more to go through. But
if we ~~OPPS~~ stick together everything
will turn out just fine. I know what
you mean I guess we were made to be
best friends. Your Kick Ass as hell to
be around like when you do that poot
thing! Oh man that cracks me up load!
We always have fun, I dont care whos
mad at us. They just want someone to
pick on. Me & you have always been
friends, but someone has always come
between us like (K.B) or someone else.
We cant let them get in our way cause
we have alot of partying to make up
for. I mean alot. I cant wait to party
in Fort Worth! On Camp Bowie!

7

Well I guess you're getting sick of reading
but I'm not sick of writing so! man
we need to go to six flags & get
weight^{ed} (Ha Ha) Remember that? well
just remember if things get too
~~too~~ rough me & you need to get together
& do something about it. OKEE DOKEE?
well just keep partying & don't let
anyone get in your way! Stay cool

Love Always,

Dawn
Phelps

7/7
& ever

P.S. Stay out of trouble, or at
least ~~try~~ try. Do things but just
don't get caught!
